*Whatever We Do . . . We Do **TOGETHER***

To Brother John Walsh:

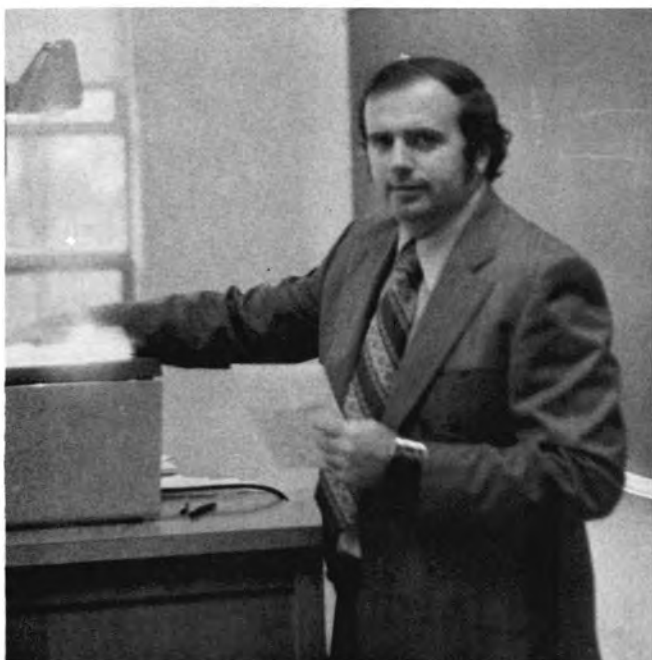

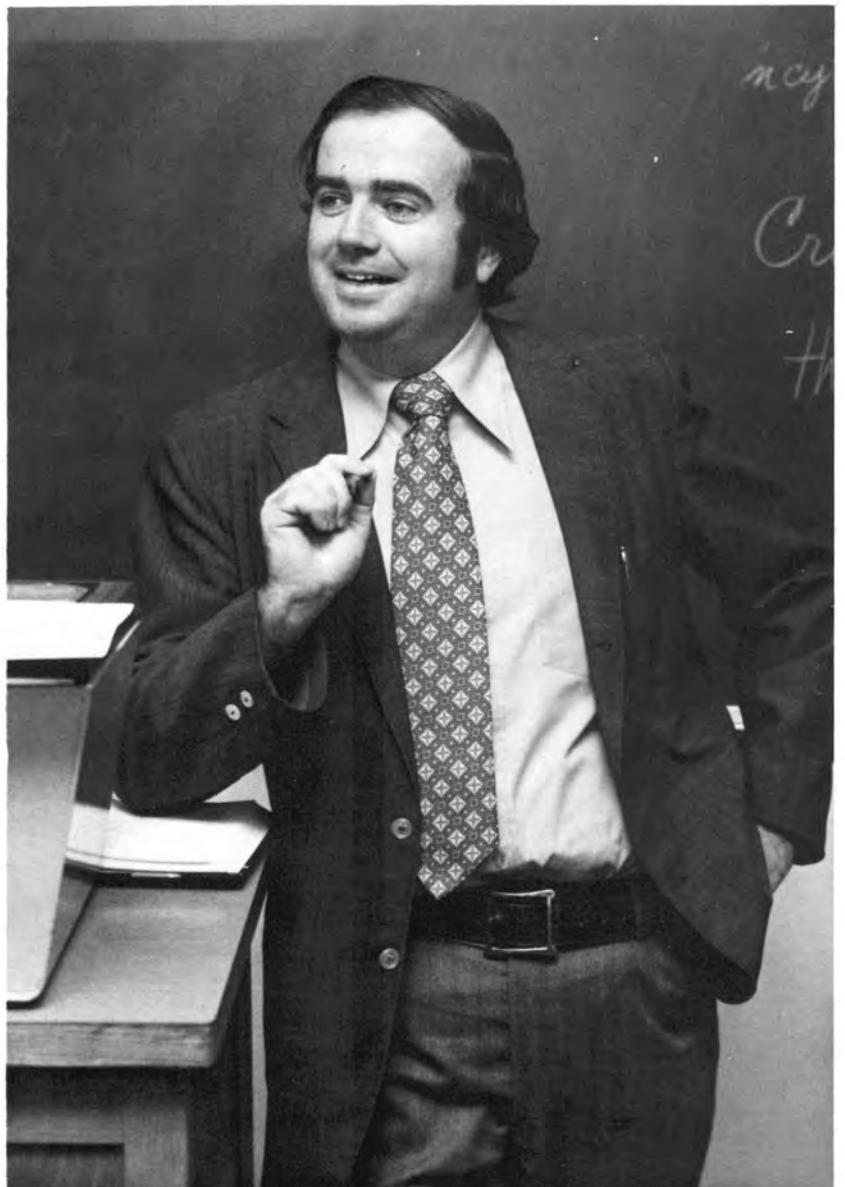

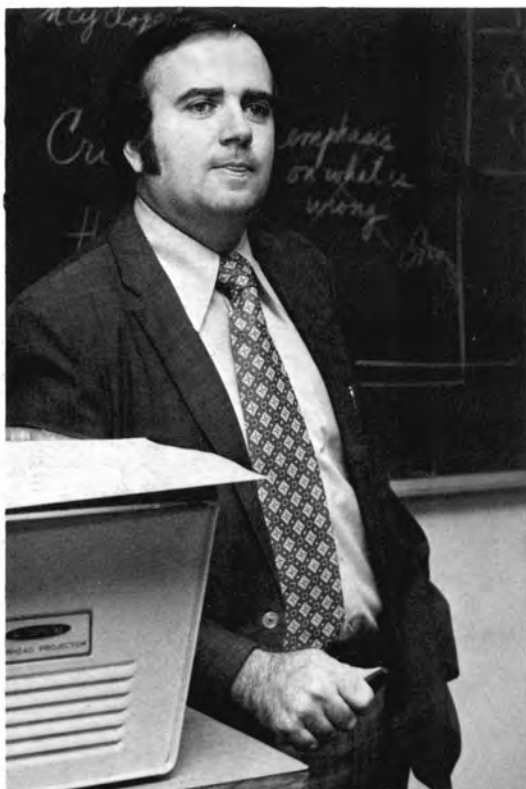

You keep a vision of what each of us should
be . . .

With Irish wit and warmth, with daily deter-
mination you teach us the
intricacies of math.

With courage and conviction you tackle your
difficult task as
Dean of Men.

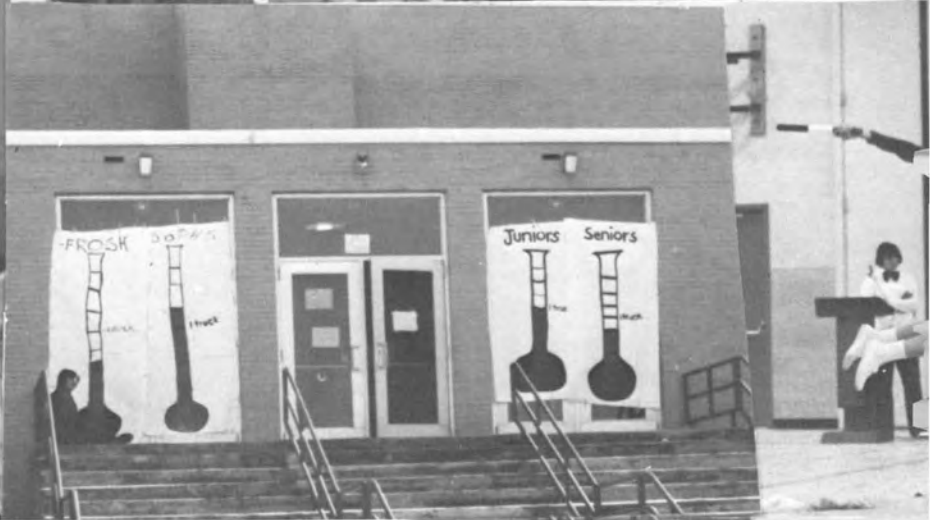

Behind the scenes for many thankless
hour you ponder ways
to make that vision ours . . .

In gratitude to you we dedicate our *Apogee*
'74.

The musical moods of Mooney are set by the Varsity and Frosh Bands, the Wind Ensemble, the Jazz Rock Ensemble or Stage Band. These groups perform in Fall, Christmas and Spring concerts. They accompany musical stage plays and enhance various student assemblies. This year along with their annual Christmas tour to some of the elementary schools, they went to Brockport State University and also started an augmented Stage Band to play at the Mooney basketball games. Many small instrumental groups, the Mooney Woodwind and Brass Quintets, the Saxophone Quartets, the Jazz Quartet and other small groups afford opportunities for playing music to fit the varied moods and talents of the students.

Myriad

The *Myriad* is an infinite amount of wall banging, sleepless nights, nail chewing, and bridled frustration that results from a moment of inspiration seized from a daydream.

Art and poetry are bits and fragments of non-conformity that evoke feelings such as "Yeah, I feel THAT way, too," or "I wish I'd said that." The goal of the *Myriad* is to give breathing space to the individuals that wish to communicate in a unique, humanistic way — and encourage others to view a side of life from a different angle on the same prism.

Brother David Parrish
Coach

This illustrious group of young men — selected for their poise and intelligence, as well as good looks — comprises the Student Traffic Patrol (STP). Their job, should they accept, is to control the traffic after school: when twenty-three buses and over two hundred and fifty cars attempt to leave our parking lot between 2:35 and 2:50. They control the student-faculty car exodus allowing the buses to leave on schedule. By their diligent service approximately eleven hundred people leave Mooney safely within ten minutes after school. Long may they wave!

Varsity Baseball *1973*

As the basketball season came to a successful ending and the last locker was emptied, there was an ambitious young group of baseball hopefuls standing in line to fill these vacancies.

The future of this young Cardinal team was uncertain at first. There were many obstacles standing in the way of a successful season, but the spirit, hustle, and determination paved the way for a City-Catholic Championship and a Catholic Championship.

In addition to these honors the Cardinal Mooney Baseball Team wrapped up a successful season by taking home to Mooney a first place trophy in the first annual Churchville-Chili Tournament.

Varsity Cross Country

The Cross Country team was made up mostly of seniors who had been together for four years. The combined dual meet record for this team over four years was 26-2. The team won 11 Invitationals and at times was one of the best 6 teams in Upstate New York. The Cross Country team did not only win meets; they had a great time together and learned a lot in their seasons together. The team would like to extend its special gratitude to its dedicated coach, Brother Thomas Gallagher.

Mike Yargeau

For a team to score in a Cross Country meet, five members are needed to run. Although Tom Rzepka, Gary Patalano and Ron Madurski were not able to fulfill these qualifications, they indeed showed their opponents they must be reckoned with. On Oct. 10th, Tom set a blistering pace en-route to a Cobb's Hill Frosh course record of 9:19. On Nov. 2nd he climaxed the season by running neck and neck with a McQuaid runner to win and set a Genesee Valley Frosh course record of 8:51. Gary's best was a 17th place and Ron's was a 31st place in the Catholic Diocesan meet. For three young Frosh who ran no less than one hundred miles during the season, 1973 was a good year.

This year has been a great and wonderful experience. We have learned and matured and most of all had fun doing it. We played to win, but we played together. We lost but we lost in pride and lost together. Above all this is what we learned — to do things together. Win or lose, we were a giant unit made up of determined, fun-loving kids led by a patient, determined coach named Ed Nietopski who took pride in both our good and bad. We had something no other team had — each other, in heart and support. A school full of spirit backed us all the way and most of all, we had “the beads.” (A Rosary a day made the game worth to play.)

Turkey Trot

Initiated this year at Thanksgiving were the student and faculty races known as the Turkey Trot, so called because of the prize awarded to each winner.

Senior-Faculty Football Game

The traditional Senior-Faculty football game provided the usual amount of excitement. Both teams played so well, it was next to impossible to choose a winner. Do YOU remember who won?

- (a) Seniors
- (b) Faculty
- (c) Tie
- (d) None of the above
- (e) All of the above

"You must remember, I'm a married man!"

The Many Mooney Moods

Seniors

In the beginning, we were Freshmen. Through four eventful years of both successes and failures, we have grown intellectually, emotionally, spiritually and especially physically! Now we are Seniors and though we go our separate ways, we will always reflect upon memories of the way we were "in the good old days"!

A building, new friends, teachers, a new way of life . . . this marked our beginning.

We came to Mooney as individuals, separate in spirit. We started out alone. But as the years passed, we made the gradual transition from Freshmen to Seniors. Both fun-filled and serious moments drew us together. We have come to realize that we are one, a single unit striving toward a goal.

In some ways our departure from Mooney will be an ending. Together we have prepared ourselves for our future. Now we are ready to begin a new day.

Acknowledgements

Without our many friends the loose ends would never be tied up in *Apogee* '74. We would like to say a special thanks . . .

To Mr. Bruculere, our yearbook representative, for sharing his know-how and patience for untold hours.

To Sister Mary Eymard for her hours of help and many unpublishable things.

To Mr. Tandoi and Varden's for rushing our pictures for those ever-present deadlines.

To Brother Robert Hyde and Bob Dymitrowicz and his crew for keeping us financially sound.

To Sister Mary Ruth for some special pictures.

To Brother Richard O'Brien for on-the-spot pictures and for remaining our friend in spite of hauntings (thanks, too, for the "real thing"!).

To Sister Mary Leonard for her goodies that goaded us on for a few more hours.

To our faithful last year's editors — Lisette, Mary, Bob, Mary Ellen — for being life-savers.

To Bob D. for our "cut-up" page.

To Paul and Dan for takes and re-takes.

To John Cassin for many hours on the field (you really know the score!)

To Ellen Fritz who typed much of our copy.

To all our editors, to Sandy for much copy, and particularly to Mary Theresa, Bill, Kathy and Karen for working on the night shifts as well as day.

To Sue without whom *Apogee* '74 would never be.

To many students who assisted at various times, especially Doug Walker, Jeanne Dever, Karen Hilbert, Mary Kay Tandoi, Mary Jo Smith, Jeff Weston, and Glenn Hagan.

To Dan O'Reilly for making us feel needed.

To all our teachers (especially Sister Gloria) for being so considerate about our deadline pressures.

To Mr. Gregory Smith for going out of his way to help us with pictures.

To Mrs. Ferrigno for lending us a treasured picture.

To our yellow bug for keeping us happy.

To the cutie from Rockland County — the fringe benefits of Press Conventions!
